VETERINARY CONTROL AND CHECK IN

All competing cats will go through the veterinary control. If you went through the veterinary control on Saturday, you don't have to go again on Sunday. Make sure to arrive in good time! Pedigree, ID and vaccination papers and hearing certificate for white cats must be presented. If you are exhibiting a housecat over 10 months old, you must also provide proof of spay/neuter. Any male cat over 10 months old must have normal testicles or be neutered. Tell the clerk at check-in if you participate both days.

VACCINATIONS

Every cat must be vaccinated against panleukopenia (Feline Parvovirus) and cat flu, revaccination no later than 15 days prior the show, at the latest April 7th 2017. Every cat must have at least 2 vaccinations against cat flu (first + booster). Vaccination certificate written by a vet must include the following information: vaccination date, name of the vaccine and the validity of the vaccination. For imported cats, rabies vaccination must be carried out at least 21 days before transfer. The booster vaccination has no 21-day waiting period, if the vaccination was

administered within the period of validity of the previous vaccination. Please read detailed importing instructions in: <http://www.evira.fi/portal/en/animals/import+and+-export>.

MICROCHIPPING

Every cat over competing in the show must have a microchip. The chips are controlled randomly by the vet.

CAGES

The size of show cages is 65 x 65 x 56 (height) cm. The curtains should cover 3 sides. The side with a door will be left uncovered for the public view. If you bring your own cage (minimum size 50x50x50 per cat), it must fit on the space of 65x65. Bring your own curtains and accessories. Remember to keep your cage and the surroundings neat during and after the show.
